Governor's EMS Awards

- Only regional winners will be judged at the state level in the Governor's EMS Awards program.
- The EMS Awards Selection Committee will review the first place winners in each of the 11 Regional EMS Councils competition. Winners selected at the state level will be forwarded with the Committee's recommendations to the Governor.
- Governor's award nominees become ineligible to receive the Governor's EMS Award if they have won in the same category within the last five years.
- If the applicants in an award category fail to meet the required criteria, then the Nomination Committee can omit the selection of a winner for that category. If a nominee is better suited in another award category, the Regional EMS Council is responsible for making that change before submitting it to the Committee.

Guidelines

- Anyone may submit nominations for the Regional EMS Awards.
- Nominations for the Governor's EMS Awards MUST be submitted through the Regional Awards Program. Failure to do so will render the nomination invalid and it will not be presented to the Governor's EMS Awards Selection Committee.
- For all categories the nomination may be based on a pattern of conduct/activities that has culminated in an exceptional improvement of the emergency medical services system in the locality, region or state. The nomination may also be based on a single unusual event that was beyond ordinary duty.
- Using the official Nomination Form on the Regional EMS Council webpage, nominations can be submitted electronically or typed on the Nomination Form and mailed to the Regional EMS Council.
- The person making the nomination should have extensive knowledge of the nominee's qualifications and carefully select the category that most appropriately matches the nominee's accomplishments.
