State Certification #:

State Certification Expiration:

National Registry Certification #:

National Registry Expiration:

EMS Agency:

There is a \$30.00 fee for Heartcode ACLS to pay for the percentage of the price of user "key codes" not covered by RSAF grant. Once you log into the system, the key code is spent, if you do not finish the course you will be liable for the entire cost of the key code.

Please indicate below if you will be paying the fee or if we are to invoice your agency for the payment (please be sure that your agency approves for you to take the course if you are requesting us to invoice) should the agency refuse to pay you will become responsible for the payment.

Your signature below indicates your agreement to the above payment responsibilities.

I will pay the fee

Invoice my EMS Agency

(Signature)

(Date)

Once the registration is processed; the Training Coordinator will contact the provider via email with the session key code. The provider will then log into www.onlineAHA.org from any computer with internet access. The provider will need to complete the online course portion of the AHA HeartCode ACLS 2015. Upon completion of the online course, the provider will need to contact the BREMS office to schedule the hands-on portion. The hands on portion will take approximately 90 minutes to complete.

If you have questions please call the Training Coordinator at (434) 947-5934. Please drop by or mail to:

BREMS 1900 Tate Springs Rd, Suite #14 Lynchburg, VA 24501
